Camper Name: _____ DOB: _____

The State of Maine has passed a law that affects all minor campers who are medically required to carry at all times and to self-administer emergency medication while at camp. These are campers who have been diagnosed to be at risk for a potential medical crisis such as asthmatic attacks or allergic reactions. The medications include but are not limited to an asthma inhaler or an epinephrine (epi) pen.

PERMISSION FORM: Approval for carrying self-administered medications

FOR THE PHYSICIAN:

As the primary health care provider for _____, I order the carrying and self-administration, as medically necessary, of the following medication by the above-named camper. (Circle all that apply or list other emergency self-medication device.)

- a. Asthma Inhaler b. Epinephrine Pen

Further, I confirm that this camper has the knowledge and skills to carry and safely self-administer the indicated emergency medication in camp.
